6 Jon Stewart's "Naked Pictures of Famous People"

This overlooked-yet-absolutely-hysterical first book gets reissued; standout pieces include, yes, Larry King's sycophantic interview with Hitler.

7 "The Nutshell Studies of Unexplained Death" (by Corrine May Botz; Monacelli Press, \$35)

Fascinating picture book of dollhouse death scenes created by eccentric heiress/criminologist Frances Glessner Lee.
